I am enclosing the documentation we believe supports our September 13, 2002 appeal to SLD and their response directing us to the FCC. We request that you review our contention that this was and is a valid filing and that the time frame established by SLD was adhered to. Your consideration is appreciated.

Re: Your Request for Waiver of Application Window For Program Year 2 1999-2000

Application Number: App# 206068

Date Request Received: September 16, 2002

The Schools and Libraries Division received your request, cited above, for a waiver of the application window deadline for the Schools and Libraries Universal Service Support Mechanism (E-Rate).

The Federal Communications Commission (FCC) rules do not permit the Schools and Libraries Division (SLD) to consider your request. Therefore, your request for a waiver of the application window deadline may not be considered by SLD. If you wish to appeal this decision, you may submit an appeal, via the United States Postal Service, to the FCC at the following address:

**Federal Communications Commission
Office of the Secretary
445 12th Street, S.W.
Washington, DC 20554**

if you are submitting your appeal to the FCC by means other than the United States Postal Service, check the SLD web site for more information. Please reference CC Docket Nos. 96-45 and 97-21 on the first page of your appeal. **The FCC must RECEIVE your appeal WITHIN 60 DAYS OF THE ABOVE DATE ON THIS LETTER for your appeal to be considered filed in a timely fashion.** Further information and new options for filing an appeal directly with the FCC can be found in the "Appeals Procedure" posted in the Reference Area of the SLD web site. www.sl.universalservice.org or by contacting the Client Service Bureau at 1-(888)-203-8100.

In recent conversations with your office relative to the form #471 referenced above we have been advised that this 471 was applied to year three. In fact this 471 was filed in the "out-of-window" opening you created for year two. We have attached the related documentation for this 471.

We hereby request that this 471 be considered for funding in the year two "out-of-window" as it was intended. Your consideration is appreciated.

request for services which are needed during Funding Year 2 (through June 30, 2000).

Consideration of Additional Post-Window Year 2 Applications (03/01/2000) **Top of Page**

The Schools and Libraries Division (**SLD**) of the Universal Service Administrative Company (USAC), in its role as Fund Administrator, announces that it will consider applications for Year 2 (July 1, 1999 - June 30, 2000) that were received by SLD after April 6, 1999 and before March 2, 2000. These applications will be considered after SLD issues the last wave of funding commitments on Year 3 applications that were received within the Year 3 window (between November 10, 1999 and January 19, 2000).

We expect that we will complete our review of In-the-window Year 3 applications by late May 2000. Depending on the volume of additional applications for Year 2 we receive, we hope to be able to make **commitments** on post-window Year 2 applications before the end of July. **With** respect to recurring charges, they will have to have been for services delivered during the period **July 1, 1999** and **June 30, 2000**. The Federal Communications **Commission** (FCC) will determine whether to extend the funding year for non-recurring charges, such as the Installation of internal connections.

Further, SLD announces that there will be less than \$250 million available for additional funding requests for Year 2, and that SLD will continue to accept Forms **471** for Year 2 funding requests for another 30 days, until 11:59 PM ET on March 31, 2000. These Forms **471** must be filed pursuant to a Form **470** filed for Year 2 (i.e., after December 1, 1998) and the requisite 28-day waiting period. Consistent with FCC rules, applications received between March 2, 2000 and March 31, 2000 will be **considered** in the order set forth below. If remaining funds are **insufficient** to fully fund all approved requests within any of the priority tiers below, Funding Requests (or applications in the last tier) will be considered in the order in which they were received.

- The highest priority will be given to Funding Requests (that is, Individual Funding Request Numbers (FRNs) even if they are on applications with other FRNs at lower discount percentages) at the **80-90%** discount level (defined by the rules as representing the most disadvantaged schools and libraries), where the applicant did not receive discounts for Year 1 or Year 2 and/or where the applicant received discounts only for basic telephone service in prior applications for Year 1 or Year 2;
- The next highest priority will be given to Funding Requests at the **80-90%** discount level, where the applicant received discounts for any eligible service in prior applications for Year 1 or Year 2;
- Final priority will be given to all other Funding Requests and applications received between March 2, 2000 and March 31, 2000.

SLD will not accept Year 2 applications received after March 31, 2000.

Important Notice
about your Form 470 Application
Entity Number: 123894

We are pleased to inform you that the Schools and Libraries Division/USAC (SLD) has received your properly completed FCC Form 470, Description of Services Requested. This letter provides important information about the processing of your Form 470 application. Please read this letter carefully and retain it for your records and future reference.

SLD has assigned the following Form 470 Application Number (470AN) to your FCC Form 470: ~~4590750000~~289395. Please record this number in a safe place. The 470AN is used to track your Form 470, and it must be provided in Block 5, Item 12 of each FCC Form 471. Services Ordered and Certification Form, which cites this Form 470. Any Form 471 applicant who relies on this Form 470 must know this 470AN. Such applicants must be listed on this Form 470 in Block 4, Item 17, or be included through selection of the "Statewide" designation of Item 16b of Block 4. You may wish to share the 470AN from this Form 470 with those schools and/or libraries featured in Block 4, to assist them in their preparation of Form 471 applications.

The next step in the application process is the completion of a FCC Form 471, Services Ordered and Certification Form. FCC rules require that requests for new services be posted on the SLD Web Site for a period of **28** days before you enter into and sign any contracts with service providers, and before you identify your providers of tariff or month-to-month services on your Form 471. In addition, if you are a first-time filer of the Form 470 seeking discounts for Services under multi-year contract signed on or before 7/10/1997, the SLD requires that you wait **28** days before filing Form 471.

Your Form 470 was posted by the SLD on 03/01/2000. Accordingly, a contract or contracts may be signed for requested services on or **after 03/29/2000**. This is your "Allowable Contract Date". The SLD will be prepared on that date to receive your Form(s) **471**. A properly completed Form 471, with a signed Form 471 certification, **must** be received by the SLD **on** later than 01/19/2000 in order to be included in the initial Form 471 filing window. If your allowable contract date is after the window closes, your Form 471 will not be considered together with those received within the window:

A properly completed certification for your Form 470 has been received and entered.

It is important to remember that not all requested services may necessarily be approved for discounts. Your Form 471 is subject to review by the SLD for a review will determination of funding eligibility before funds are committed. (This review will consider all program rules including eligibility of discount recipients and the eligibility of services for which discounts are requested.) In addition, availability of funds will be a factor in funding decisions. Therefore, you should consider the possibility of a denial of funding or a level of funding below your request, and include appropriate contingencies in contracts for any or all of the requested services.

If you have any questions, please call the SLD Client Service Bureau at 888-203-8100
